*A higher standard.
A higher purpose.*

Big Sandy Camp. Those three words bring a
variety of fond memories to many people. It
seems that one thing all of the responses have
in common is the smile that accompanies the
memories.

Countless lives have been changed since the
camp was first purchased in 1959. Responding
to a call from God, a few faithful men that had
caught a glimpse of the camp ministry vision
prepared this ground to be a place of life
changing ministry!

As an extension ministry of the Northwestern
District of the Christian and Missionary Alliance,
Big Sandy Camp –now Big Sandy Camp *and
Retreat Center*, is a year round facility, hosting
not only summer youth and family camp
sessions, but offering the grounds and facilities
to groups twelve months of the year!

For those who have not been here for many years we'd like to welcome you to stop by for a visit. Walk among the tall pines and reflect upon those precious memories. If you've never been here you have a standing invitation to stop by and see what God is doing here.

While we love to highlight our beautiful shoreline, lush forested grounds, and breathtaking sunsets, our most spectacular feature at Big Sandy Camp is the presence of God. Every year we see countless lives impacted by the saving knowledge of Jesus Christ. Coming here to this place of quiet reflection seems to open up the hearts of our guests.
